which no FERS deductions were withheld; and

(iii) The employee has been continuously employed in a secondary position or positions since moving from a rigorous position without a break in service exceeding 3 days, except that a break in employment in secondary positions that begins with an involuntary separation (not for cause), within the meaning of 5 U.S.C. 8414(b)(1)(A), is not considered in determining whether the service in secondary positions is continuous for this purpose.

(2) An employee who is not a rigorous position, nor covered while in a secondary position, and who is detailed or temporarily promoted to a secondary position is not covered under the provisions of 5 U.S.C. 8412(d).

(c) *Air traffic controller.* An employee's service in a position that has been determined to be an air traffic controller position by the employing agency head is covered under the provisions of 5 U.S.C. 8412(e).

(d) Except as specifically provided in this subpart, an agency head's authority under this section cannot be delegated.

§ 842.804 Evidence.

(a) An agency head's determination under § 842.803(a) (finding that a position is a rigorous position) must be based solely on the official position description of the position in question and any other official description of duties and qualifications. The official documentation for the position should, as soon as is reasonably possible, establish that the primary duties of the position are so rigorous that the agency does not allow individuals to enter the position if they are over a certain age or if they fail to meet certain physical qualifications (that is, physical requirements and/or medical standards), as determined by the employing agency head based on the personnel management needs of the agency for the positions in question.

(b) A determination under §§ 842.803 (b) or (c) must be based on the official position description and any other evidence deemed appropriate by the agency head for making the determination.

(c) If an employee is in a position not subject to the one-half percent higher withholding rate of 5 U.S.C. 8422(a)(2)(B), and the employee does not, within 6 months after entering the position or after any significant change in the position, formally and in writing seek a determination from the employing agency that his position is properly covered by the higher withholding rate, the agency head's determination that the service was not so covered at the time of the service is presumed to be correct. This presumption may be rebutted by a preponderance of the evidence that the employee was unaware of his or her status or was prevented by cause beyond his or her control from requesting that the official status be changed at the time the service was performed.

§ 842.805 Withholding and contributions.

(a) During service covered under the conditions established by § 842.803 (a), (b), or (c), the employing agency will deduct and withhold from the employee's base pay the amounts required under 5 U.S.C. 8422(a)(2)(B) and submit that amount to OPM in accordance with payroll office instructions issued by OPM.

(b) During service described in paragraph (a) of this section, the employing agency must submit to OPM the Government contributions required under 5 U.S.C. 8423(a)(1)(B) in accordance with payroll office instructions issued by OPM.

(c) If the correct withholdings and/or Government contributions are not timely submitted to OPM for any reason whatsover, including cases in which it is finally determined that past service of a current or former employee was subject to the higher deduction and Government contribution rates, the employing agency must correct the error by submitting the correct amounts (including both employee and agency shares) to OPM as soon as possible. Even if the agency waives collection of the overpayment of pay under any waiver authority that may be available for this purpose, such as 5 U.S.C. 5584, or otherwise fails to collect
